

## The Pitchfork Guide to New Albums, Summer 2018: Drake, Father John Misty, Mitski, More

From Nicki Minaj and Nas to Florence and the Machine and Lykke Li, here's a big list of records to look forward to in the coming months

Welcome back to the Pitchfork Guide to Upcoming Releases, our seasonal guide to new music. Four times a year, we round up a list of albums, singles, EPs, reissues, and more arriving in the coming months. This installment covers summer 2018, starting today and taking us through September. (Please note that release dates may change.) To start things off, we've highlighted a few particularly notable releases, including albums by [Kanye West](#), [Drake](#), [Florence and the Machine](#), [PUSHA-T](#), [Lykke Li](#), and many more.
